

## 2022 Subject Index

Abscess .....	239	Diagnostic imaging.....	95
Abstracting and indexing.....	193	Differentiated thyroid cancer.....	188
Acceleration.....	139	Disability evaluation.....	14
Acoustic analysis.....	271	Distant metastasis.....	188
Acute otitis media.....	43	Dizziness .....	14
Adenoid.....	261	Ectopic tissue.....	154
Airway.....	297	Edema .....	239
Airway obstruction .....	289	Educational activities.....	215
Allergic rhinitis.....	20	Emergency.....	8, 289
Allergic rhinitis 2(Suppl)		Emissary veins .....	244
Allergy.....	118	Endoscopic surgical procedure.....	49
Anatomy.....	244	Endoscopy .....	33, 80
Animal experiment .....	26	Epignathus .....	158
Animal experimentation .....	111, 124	Epistaxis .....	8, 49
Antioxidants .....	111, 124	Eugenol .....	124
Arteriography .....	76	Eustachian tube .....	80
Audiology.....	111, 172	External ear canal .....	150
Auditory rehabilitation .....	133	Extravasation of diagnostic and therapeutic materials injury.....	292
Aviation.....	139	Facial artery .....	76
Bibliometric analysis.....	210	Facial nerve.....	234
Bibliometrics.....	20, 88, 193	False aneurysm .....	76
Cadaveric animal study.....	1	Fetal anomaly.....	158
Caffeine .....	253	Fluctuating noise.....	133
Carotid body.....	203	Foreign body.....	80, 150
Carotid body tumor .....	203	Fungus .....	261
Case report .....	150, 154, 158, 193, 230, 234, 239, 289, 292, 297	Geriatrics.....	8
Case series .....	193	Ginseng .....	111
Cellular morphology.....	43	Goiter .....	289
Cerebrospinal fluid rhinorrhea.....	223	Guideline.....	2(Suppl)
Chorda tympani.....	234	Head and neck cancer.....	103
Chronic otitis media.....	234	Hearing aid.....	133
Citation .....	88	Hearing loss.....	133, 172
Citation analysis .....	193	Hematoma.....	289
Cochlear round window .....	43	Herbal medicine .....	33
Cochleovestibular anomalies.....	95	High-throughput sequencing .....	261
Community survey .....	215	Histology .....	26
Complication.....	49	Histopathology.....	203
Computed tomography.....	54, 65, 95	Holding strength .....	1
Congenital .....	84	Hospitalization .....	8
Congenital abnormalities.....	95	Inner ear .....	95
Constant noise.....	133	Illusion.....	139
Curcumin.....	26	Immunocompetence .....	239
Cyst .....	84	Immunohistochemistry.....	203
Deep neck infection.....	239	Immunotherapy .....	118

## 2022 Subject Index

Infant.....	76	Otorhinolaryngology.....	8, 20, 88, 139, 193, 210, 215
Inflammation.....	33	Otosclerosis.....	80
Jugular foramina.....	244	Palatine tonsil.....	158
Jugular veins.....	244	Paraganglioma.....	203
Labyrinth.....	14	Paranasal sinus.....	54, 223
Larvae.....	150	Partial laryngectomy.....	282
Laryngoplasty.....	271	Pathology.....	43
Larynx.....	65, 271, 297	Pediatric.....	154
Larynx carcinoma.....	282	Pediatric otorhinolaryngology.....	84, 158, 230
Spontaneous fractures.....	65	Physiology.....	139
Lip.....	239	Plexiform neurofibroma.....	297
Lip abscess.....	239	Post traumatic.....	76
Magnetic resonance imaging.....	95	Postural balance.....	14, 253
Management.....	65	Posturography.....	253
Maxillofacial injury.....	8	Prognosis.....	188
Medical journalism.....	88	Prostate-specific membrane antigen.....	203
Ménière's disease.....	14	Pseudoaneurysm.....	76
Meningitis.....	95	Psychoactive agents.....	253
Metabarcoding.....	261	Publication.....	20
Microgravity.....	139	Publication ethics.....	210
Microscopy.....	26	Publications.....	88, 210
Microsurgical free flaps.....	103	PubMed®.....	20
Middle ear.....	80, 261	Pure tone audiometry.....	172
Middle ear tumor.....	234	Quality of life.....	33
Mucocele.....	84	Questionnaire.....	172
Multidetector computed tomography.....	244	Radioactive iodine.....	188
Munchausen syndrome.....	230	Radiology.....	244
Mycobiome.....	261	Rare diseases.....	297
Myringosclerosis.....	26, 124	Rats.....	26, 124
Nasal dorsum.....	84	Reconstructive surgery.....	103
Nasal septum.....	1	Reproducibility of results.....	172
Nasal steroid.....	33	Research education.....	215
Neck.....	154, 230, 297	Residency training.....	118
Neonatal.....	292	Resident.....	215
Neoplasm metastasis.....	188	Retropharyngeal abscess.....	292
Newborn.....	84	Rhinitis.....	2(Suppl), 33
Noise.....	111	Schwannoma.....	234
Noise-induced hearing loss.....	111	Scientific research.....	215
Non-invasive treatment.....	292	Self-citation.....	210
Office surgery.....	271	Self-report.....	172
Osteoma.....	54	Septal perforation.....	1
Otitis media with effusion.....	261	Sinusitis.....	33
Otolaryngic allergy.....	118	Skin prick test.....	118
Otolaryngologists.....	103	Skull base.....	49, 223

## 2022 Subject Index

---

Speech audiometry .....	133	Thyroidectomy .....	289
Spinal puncture.....	223	Ticks.....	150
Spontaneous hemorrhage .....	289	Tracheotomy.....	297
Squamous cell carcinoma.....	282	Transferrin .....	223
Stapes footplate fistula.....	95	Transoral laser microsurgery .....	282
Stapes surgery .....	80	TRDizin® .....	20
Streptococcus pneumoniae .....	43	Treatment .....	111
Subcutaneous emphysema .....	230	Tumor.....	154
Supraglottic carcinoma .....	282	Turkey.....	20
Surgery .....	14, 188, 203	Turkish matrix sentence test .....	133
Survival.....	188	Tympanic membrane .....	26, 124, 150
Suture distance .....	1	Variation .....	54
Suture material .....	1	Vestibular function tests.....	253
Systematic review .....	65, 223	Vestibular nerve .....	14
Temporal bone.....	244	Vestibular sense.....	139
Teratoma.....	158	Vocal cord paralysis.....	271
Thymus .....	154	Vocal cords.....	271
Thyroid cartilage .....	65
